SEVIKA SANGHAM

Sevika Sangham members are proud to present to the church an AED machine (*Automated External Defibrillator*) that they have purchased for the church.

We would like to give a special thanks to Mary Koshy who took the lead in this project. Thank you to all ladies who contributed to purchasing the AED.

We will soon be putting together a medical response team that can assist in emergencies in the church and can take the lead in using this AED for members who go into cardiac arrest. The AED will be kept behind the sound booth in the sanctuary for easy accessibility in case of an emergency.

Have a Blessed Week
